About me

I am a Computer Science and Engineering undergraduate at Daffodil International University with a strong interest in Artificial Intelligence and healthcare research, focusing on medical image analysis, federated learning, and explainable AI. As a Research Associate at the Health Informatics Research Lab (HIRL), I lead and contribute to AI-driven healthcare projects while mentoring junior researchers. I also gained industry experience as a Generative AI Intern at Metademy LLC, USA, working with large language models and AI agents. I am passionate about developing intelligent, privacy-preserving, and clinically interpretable AI systems for real-world impact.

Education

- 2022–present **B.Sc. in Computer Science & Engineering**, *Daffodil International University*, Dhaka.
CGPA: 3.91/4.00 (Last Semester). Research Interests: Artificial Intelligence, Health Informatics, Machine Learning, Federated Learning, Explainable AI.
- 2021 **Higher Secondary Certificate (HSC), Science**, *Kushtia Govt. Central College*, Kushtia.
GPA: 5.00/5.00
- 2019 **Secondary School Certificate (SSC), Science**, *Nabagram Secondary School*, Kushtia.
GPA: 5.00/5.00

Publications

Submitted / Under Review

- 2025 **Md. Moinul Islam et al.**, Beat-by-Beat Lead-Aware ECG Segmentation and Multi-Class Cardiac Disease Classification, (*Submitted*).
- 2025 **Md. Moinul Islam et al.**, Clinically Explainable Visual Question Answering (X-VQA) for Gastrointestinal Endoscopy, (*Submitted*).

Ongoing Research

- 2025 **Md. Moinul Islam et al.**, Federated Knowledge Distillation for Ear Disease Classification, (*Ongoing*).
- 2025 **Md. Moinul Islam et al.**, Privacy-Preserving Federated Vision Transformer with Grad-CAM Explainability for Multi-Label Chest X-Ray Classification, (*Ongoing*).

Research & Professional Experience

Daffodil International University

- Feb 2026 – **Research Associate & Coordinator**, *Health Informatics Research Lab (HIRL)*.
present Coordinating research projects, managing research teams, mentoring students, and supporting academic collaborations and research programs.
- Feb 2026 – **Teaching Assistant**, *Dept. of CSE, Daffodil International University*.
present Working under the supervision of Dr. S. M. Aminul Haque, assisting in academic activities.
- Jan 2025 – **Research Assistant (RA)**, *Health Informatics Research Lab (HIRL)*.
Feb 2026 Assisted in AI and health informatics research projects, including data analysis, experimentation, and model development.

Industry Experience

- Apr 2025 – **Generative AI Intern**, Metademy LLC, Utah, United States.
Jul 2025 Worked with Large Language Models (LLMs), Whisper API, and AI agents while contributing to AI research, development, and product innovation.
- Jan 2025 – **Data Analytics Intern**, Oasis Infobyte, New Delhi, India.
Feb 2025 Worked on data analysis, visualization, and reporting using Python and analytical tools.

Teaching Experience

- Spring 2026 **Instructor, PythonX: Python Foundations for Data Science Boot Camp**, Health Informatics Research Lab (HIRL).
Instructed participants in Python programming and foundational Data Science concepts through practical sessions and guided exercises.
- Jul 2024 – **Instructor, Data Structures and Algorithms (DSA)**, Q-bit Learning.
Dec 2024 Conducted classes on Data Structures, Algorithms, and problem-solving techniques for students.

Leadership & Service

- Apr 2026 **Organizer**, Research Policy at Daffodil International University, Research Wing, CSE, DIU.
- Spring 2026 **Course Module Leader**, PythonX Python Foundations for Data Science Boot Camp, HIRL.
- Feb 16–22, 2026 **Co-Organizer**, 3-Days Research Workshop: From Zero to First Idea, Division of Research & HIRL.
- Apr 2025 – **President**, Health Informatics Research Lab (HIRL).
Apr 2026
- Mar 2025 – **Vice President**, Research & Journal Wing, Daffodil International University CPC Club.
Apr 2026
- Mar 2024 – **Joint Secretary**, Health Informatics Research Lab (HIRL).
Mar 2026

Honours & Awards

- Oct 2025 Judge and Problem Setter, **Prompt Battle Fall 25**, Daffodil International University CPC Club.
- Aug 2025 **Dean's List Award**, Fall 2024, Daffodil International University.
- May 2025 Judge and Problem Setter, **Prompt Battle Summer 25**, Daffodil International University CPC Club.
- Oct 2024 **Library Excellence Award**, Daffodil International University Library.
- Jun 2024 **Dean's List Award**, Fall 2023, Daffodil International University.
- 2019 **Certificate of Appreciation** from Zilla Parishad, Kushtia for outstanding performance in the JSC/JDC/SSC Equivalent Examination 2019.
- 2016 **1st Merit Position** in the Annual Examination 2016 at Rahmatpur Government Primary School, Daulatpur, Kushtia.
- 2013 **Talentpool Scholarship**, Primary Education Completion Examination (PECE), Daulatpur Upazila, Kushtia, Bangladesh.
- 2013 **8th Position (Upazila Merit List)**, Primary Education Completion Examination (PECE), Kushtia, 2013.

Certificates & Training

- Dec 2025 Volunteer, *International Conference on Intelligent Data Analysis and Applications (IDAA 2025)*, December 12–13, 2025.
- Nov 2025 Participant, *FutureNation Summit 2025*, National Science and Technology Complex, Dhaka, November 30, 2025.

- Nov 2025 *Employability Masterclass 21*, UNDP Bangladesh, November 11, 2025.
- Nov 2025 *English Online Self-Study: Social Interaction (Level B1)*, British Council, November 10, 2025.
- Sep 2025 *Preparatory Online Training on IELTS Speaking Module*, FutureNation UNDP Bangladesh, September 03, 2025.
- Jul 2025 *Industry-Academia Collaboration Summit 2025*, Career Development Center (CDC), Daffodil International University, July 12–13, 2025.
- May 2025 Participate *DIU-DOR Poster Presentation 2025*, May 14, 2025.
- Apr 2025 *Linux Server Management and Security*, University of Colorado System via Coursera, April 02–27, 2025.
- Apr 2025 *Data Science Math Skills*, Duke University via Coursera, April 10–23, 2025.
- Mar 2025 *Automation in the AWS Cloud*, Amazon Web Services (AWS) via Coursera, March 27 – April 01, 2025.

Technical Skills

Programming	Python, Java, C/C++, Dart, MySQL
AI/ML Frameworks	Machine Learning, Deep Learning, LLMs, Generative AI, Federated Learning, Vision Transformers
Tools & Platforms	Anaconda, Jupyter Notebook, Google Colab, Kaggle, AWS, Linux
Data Visualization	Matplotlib, Seaborn, Plotly and related libraries
Soft Skills	Leadership, Critical Thinking, Emotional Intelligence, Project Management, Effective Communication

Languages

Bangla	Mother Tongue
English	Fluent in Reading, Listening, and Writing; Conversational in Speaking
